

# SOUTHERN NEVADA SOCCER ASSOCIATION PREFERRED VENDOR PROGRAM

Team photos, player awards and team parties are time-honored traditions in youth sports! If you are interested in having professional team photos, purchasing trophies/awards for your players or planning a team party, we encourage you to consider using one or more of the SNSA preferred vendors listed below. We included product offering promotional sheets for our photography and awards providers and team party providers that serve a variety of age levels. SNSA recommends that you have your team manager, or a designated parent contact one of the preferred providers if you are interested in any of these optional services.

SNSA provides a list of vendors but is not involved in the scheduling, purchase, or distribution of these products & services. Once you have selected a vendor, please direct all inquiries to the vendor's contact. It is our hope that this program offers our teams a variety of options and provides an opportunity to access quality team services in an efficient and convenient manner. Please support these businesses that support your local soccer league!
