

Marlboro Recreation Basketball Practice Procedures:

- Grades 3 – 8 coordinators, both boys and girls, will receive practice times once a month to assign to their division's teams
- Coordinators will send back all unassigned practice times from their division
- Notify coaches that are interested in last minute practice times to sign up for the coaches only email group:
http://groups.google.com/group/marlboro_bbcoaches
- As times become available they will be offered out via this email group to all registered coaches from grades 3-12
- When requesting available times please indicate what division your team is
- Paul Ratner, practice guru, will then confirm back to those assigned any of the requested times. Please, please make it clear to all coaches that only times *confirmed* back are valid and not to just show up if they requested a time and that we cannot respond back to all requests
