

To all Montana players and parents;

Even though we are in the middle of the summer many of you are once again starting to think about the upcoming hockey season and what opportunities might be out there for you as a player outside that of your local association program. On the youth side the Team Montana program will once again be operating this season offering teams for players in the following birthyears 2004, 2005, 2006 and 2007. They will be offering two teams at the 14U age classification and two teams at the 12U age classification. The Montana Wildcats will once again be offering 19U, 16U, and 14U opportunities for Montana girls. You can find more information on their informational flyers or on the MAHA webpage or at www.bigskyywildcats.com .

Please note that Team Montana or the Montana Wild Cats programs are not MAHA run programs. The Team Montana program is run by the respective coaches and team managers and the Montana Wild Cats is run by the Montana Wild Cats board of directors. The leadership of Team Montana and the Montana Wild Cats programs have worked with and been approved by the MAHA High Performance Player Development Committee to participate in USA Hockey or Hockey Canada sanctioned games or tournaments. It is important for you to know that there are other programs advertising opportunities for players in Montana however these programs are not affiliated with USA Hockey and cannot participate in USA Hockey or Hockey Canada sanctioned games or tournaments.

I hope you enjoy the rest of your summer! Before too long it will once again be hockey season and I look forward to seeing you once again on a rink somewhere around our great state!

Regards,

Mike McIntosh
Montana Amateur Hockey Association President
