

Pacer Football F.A.M.I.L.Y.,

Thank you to everyone for your patience and flexibility this past week. This coming week may also take some adaptability as St. Catherine's, our varsity opponent for 11/6, had to cancel the game they were supposed to play last night at Lake Country Lutheran. We've been told that they hope to be back to practice on Monday and are planning to play us on Friday night unless the Racine Health Department says otherwise.

Remember that we have cancelled the JV game against Racine Lutheran that was scheduled for Monday 11/2. We may have to do the same for the final scheduled JV game against St. Catherine's on 11/9. Stay tuned for more information on that this week. Freshmen and sophomores should plan on joining us for practice Monday-Thursday unless we tell them otherwise.

Here is the link to this week's [News and Notes](#) document. I will adjust it as necessary and will notify everyone about any changes.

Happy Reformation Day! Have a blessed week and Go Pacers!
