Parent participants must realize they hold a position of trust and responsibility in a youth program, which deals with a sensitive and impressionable period in a child's development. All parent participants must have patience, understanding and good communication skills with both children and adults. I agree to comply with all of the by-laws, rules and regulations of the Southern California Junior All American Conference and Orangecrest Wolves Youth Football and Cheer Program. I understand I can be removed from this organization if the above is violated.
