

SIH By-Law Update Proposal

Article V – Section 3

Original: “At each annual banquet at the end of Fall season, three Directors shall be elected.”

Proposed: “At each annual banquet at the end of Fall season, Directors shall be elected to fill the vacancies of the Directors whose terms are expiring.”

Reason: Clarify that the number of Directors elected matches the number of Directors with expiring terms. This ensures that the Board consists of only 9 directors.

Article V – Section 3

Original: “(a) Be the age of eighteen;”

Proposed: “(a) Be at least the age of eighteen;”

Reason: Clarify that anyone running for the Board of Directors must be at least the age of eighteen, not exactly the age of eighteen.

Article VI – Section 2

Original: “Officers and Directors appointed to vacancies during the year, must be voted for permanent term by vote of the membership at the Fall banquet.”

Proposed: “Officers and Directors appointed to vacancies during the year, must be voted for permanent term by vote of the membership at the annual banquet.”

Reason: Clarify that the vote occurs during the “annual banquet” rather than “Fall banquet”. The “annual banquet” is the reference used throughout the Bylaws for the end of season banquet that occurs after the completion of the main Fall season.
