Each of these requests impacts organizations represented by members of our board. If you have a connection to the organization please abstain from voting. There is an "abstain" option on the form. There is also a comment box for each item if you think we should approve a different amount. If needed I will send out another message about a voting item.

IGH Softball

Dear Inver Grove Heights Baseball Association,

I am writing on behalf of the Inver Grove Heights Softball Association. We are reaching out to your baseball association with a request for a **donation of \$750**. This contribution will be put towards our training budget to be used to help offset the cost of future camps/clinics for our girls.

Thank you for considering our request.

Sincerely,

Inver Grove Heights Softball Association

Simley Wrestling

Simley Wrestling is asking for help funding these trips for the 24-25 season.

We would love it if you would please consider a **donation of \$1,500** or

whatever you are willing to donate to Simley Wrestling for the travel expenses to these tournaments. [See the full letter here.](#)

Simley Dance Team

We believe that your commitment to making a positive impact on the community could also help us. I am reaching out to humbly request a monetary **donation of anywhere around \$1000**, but we would be more than grateful for anything you feel is appropriate.

President Report:

- I spent last weekend at the tournament - all went well with concessions. Thanks to Sarah for the set up. Our volunteers did a great job of keeping things running. Josh had to do some schedule shifting due to some late cancellations. As usual lots of compliments on our facilities and overall tournament experience.
- I was mostly thankful last weekend for our new umpire assignors -- they do a great job and compared to last year scrambling to get umpires for our tournaments it was smooth sailing!
- I am working on the Michael Busch award banner and will have a mock up ready for the July meeting. Goal would be to hang these at each of our tournaments.
- We have had some reports of inappropriate behavior by a parent. We attempted to suspend a parent from game attendance with no compliance and refusal when confronted in person. Not sure how we enforce this without punishing players but something we need to discuss as we head into next season.
