2. **Report of Officers**

A. Recording Secretary

1. Board had requests related to transgender participation in sports. The Board reviewed various policies and decided to adopt a policy that is consistent with that already adopted by the Lenape Regional High School District, as well as a number of other school districts in the area and throughout the State.

2. Thank the commissioners for feedback on playing time policies. Similar to the Code of conduct, we are going to work towards a uniform set of policies for the organization, recognizing that there are various considerations (i.e., recreation v. travel, safety issues, etc.) We will be further engaging the commissioners throughout this process.

3. Also finalizing revisions to the policy regarding donations of the MRC to Lenape Regional High School District. The old policy caused confusion over the terms of the donations and preferred vendor status and we are seeking to clarify that.

4. Will be working on privacy policy in the coming months. It needs to be brought up to date to deal with online registration platforms, use of internet, etc. As always, concerns and input are welcome.

B. Athletic Director

1. If there is unused or unsafe equipment, fences, goals, etc., we need to work on getting it removed. Contact Kevin and he will work with you on it.
