

SCHL PLAYOFF SEEDING PROCEDURE

2025–2026 Season

The following playoff seeding procedures will apply to all teams participating in the SCHL Playoffs:

- Regular season standings will be considered final on **Monday, March 2, 2026 at 12:00 PM.**
- Any GameSheet submitted after the deadline will **not** count toward the final standings or playoff seeding.

Because teams may not play an equal number of regular season games, final playoff seedings will be determined by the **average number of points earned per game:**

Total Points ÷ Games Played = Points Per Game (PTS/G)

Teams will be ranked from highest to lowest PTS/G to determine playoff seeding.

Example:

- Team XYZ has earned 14 points and played 12 games.
- $14 \div 12 = \mathbf{1.17 \text{ PTS/G}}$ (rounded to the nearest hundredth).
- Team XYZ's seeding position would be based on this PTS/G calculation compared to other teams in their division.
