We apologize for the delay in holding our annual meeting this year. With restrictions due to the pandemic and the whirlwind of activity associated with our big move, it has been difficult to pinpoint a new date for the meeting. We hope this new date, October 7th, will work well for families with sports and school activities well underway, and everyone settled into their fall routines. Meeting location is TBA.

At our upcoming annual meeting, we will be holding elections for open board positions. Candidates and their biographies are now posted on the website. We are very fortunate to have strong list of candidates who are all interested in sharing their talents and providing leadership to our club. Be sure to read all about our candidates before casting your vote in the upcoming election!
