dream

We dreamed of being on the field this year. While our start was uncertain, our reality became more clear as days and weeks passed. Our boys were going to get to play lacrosse! And our program, our coaches, did not disappoint one bit! We watched them take the field, one game, one quarter at a time. For both JV and Varsity teams, learning, growing and bonding together. There were highs and lows, and the boys continued to persevere with each opposing team they faced. JV, for the 5th year in a row, earned the title of 2021 Sea View League Champions with a record of 10-5. Varsity, with a record of 17-3, Sea View League Champions, and the first official CIF Playoffs! Our boys fought their way to the semi-finals! Boys, we as parents could not be more proud of your accomplishments during this 2021 season. Take this ride, continue on it for as long as you can because, one of the biggest learnings we have had over the past year and few months, is that you never know what tomorrow holds. Parents, thank you is simply stated but has so much meaning behind it. You jumped in! You helped make this program soar this year. You volunteered, you learned the game, you brought the team spirit and support that our boys and coaches needed. This message is filled with enormous gratitude for doing what you could to make a difference! THANK YOU! Spring is over, our Seniors are moving on to their next adventure. However, our Juniors, Sophomores and Freshman will continue into Summer, Fall, Winter and next Spring, to once again, hit the field and fight the fight on our quest to become CIF Champions!

Go Wolverines!

*With Overwhelming Gratitude, Shannon Harrison - President
Wolverine Lacrosse Club*
