Golf – We will need to determine responsibilities for the golf grounds manager and the clubhouse manager. We will complete this and then schedule a meeting in February or March. There was discussion on the daily golf fees and our memberships We will gather information from other area courses and discuss at next meeting.

Pool – We have some interest in swimming lessons this year, we will follow up as we hope to offer to the community this year.

Ball – We need to visit with Hatton Park Board and see what they have for babe ruth numbers – will we have 1 or 2 teams/ check on what they charge for participation at that level.

Fundraising – The 3 on 3 tournament went well – we and the boys basketball team both made 3700.00. We have decided to stop doing the T-shirts, the cost for printing/shipping is getting too high. We will offer top of the line individual metals.

We will start the bread braids fundraiser now.

Other We received 10,000 grant from Myra Foundation . These funds will be used for resurface basketball court and add pickle ball.

Meeting adjourned at 7:30pm
