Wrestling Program

1999 AWARDS BANQUET

*Good evening, parents. I thank you for attending this evening's Awards Banquet, and I hope that you enjoy yourselves. Please allow me at this time to thank you for all of your support through the season, such as fundraisers, attending events, supporting your child and the wrestling program, etc.*

*I firmly believe wrestling is a sport that builds life-long skills, such as character building, goal setting, bouncing back from setbacks, learning to deal with losing, and working hard to achieve goals. I am proud of my wrestlers who stay with and finish the program, as you should be, too. It was an outstanding season this year, on all three levels. One that included many successes, lessons, fun, and memories, for not only the wrestlers, but the coaches and parents as well. Therefore we would like to honor your children tonight for their hard work and dedication.*

## Varsity Overview

Wrestling at Edwardsville High school has taken a **step** forward. The 1997-98 Varsity Wrestling Team has accomplished this year, what only few elite Edwardsville Wrestling teams have reached, but not surpassed. This would include not only a Regional Championship, but also a trip to the Sectional Final, equivalent to the **top sixteen** in the State of Illinois. This is out of approximately 250 schools.

The success this team had was twofold, which included the response of our seniors, and underclassmen.

Although the senior group was one of the most non-vocal groups I've had, their commitment to success, and dedication was integral to our success, this season, and for years to come. This group led by example, both by their accomplishments and their work ethic. **They will all be greatly missed.**

The blend and abundance of underclassmen also vow for great success in the future. The underclassmen contributed **three Regional Championships, one runner-up, and two third place finishes. (Sectional qualifiers)**

The Junior Class, although very few, brings back a mainstay of quality wrestlers. The objective next year must be to fill the large shoes of this years seniors. Although this group is small, the talent is there to meet and surpass this objective through hard work and off-season training.

The freshman and sophomore class also contributed Varsity members, bringing even more excitement to the future of Edwardsville Wrestling. This group included six Varsity wrestlers, two 35-match winners, three Sectional Qualifiers, and a whole lot of enthusiasm. The sky is the limit for this group, and brings great promise to the future.

Thanks for the great season guys and congratulations. A special thanks to the seniors for their effort, and good luck in the future. I would only hope that through wrestling we have helped you grow and develop for your future responsibilities, successes, and hardships. Carry the memories with you, including the laughs and the cries, and the excitement and sadness, hopefully in remembrance of a special time in your life. (High School) As for the underclassmen, remember, "Be Proud but not satisfied, next year is only 7 1/2 months away".

Thanks guys,

Coach Wagner

## Freshman Overview

The 1997-1998 Tiger Freshman wrestling team can be best described in two words; peaks and valleys. As wrestlers these young men are asked to give a 100% effort 100% of the time. With these types of demands there are obviously going to be breakdowns. When this squad was able to send out it's 14 best wrestlers, there was not a freshman wrestling team in the metro east this squad could not overcome.

The 97-98 Tiger squad finished with 5 dual meet victories; three of those victories coming against fellow Southwestern Conference foes Belleville East and West and another being a dominating 80 – 0 victory over local conference rival Collinsville. Although the Tigers finished with three losses, they were to very formidable opponents. Two narrow defeats came at the hands of two consistently powerful Missouri programs, Oakville and Fort Zumwalt South by an average margin of three points and the third to SWC stalwarts Granite City.

In tournament competition the Tigers were very competitive in finishing in the top 4 of all three team tournaments they competed in, bringing home a third place trophy from the 18 team O'Fallon Freshman Invitational and finishing fourth in both the Fort Zumwalt South and Belleville West Tournaments. Individually the Tiger freshman won a total of 14 tournament championships and 71 total medals, while thundering their way to 131 pins.

This team has the ability to become one of the best classes Edwardsville wrestling has ever seen. This goal will not come without hard work and dedication, not only during the wrestling season, but throughout the year. As a coach I can only hope that these young men have realized what skills are needed to succeed at the next level and that they are willing to put forth the effort that is necessary to reach their individual and team goals. Ultimately all the peaks and valleys that this team endured during the winter of 97-98 will be their biggest asset thus far in their wrestling careers. A special thanks goes out to the all the parents who endured four long months of matches, tournaments, practice schedules and every thing else that comes along with being a wrestling parent. Without your support we as coaches could not succeed.

As you freshman look to succeed at the next level, remember that you now have entered yourself into an elite family; You are now a Tiger Wrestler; Be Proud To BE a Tiger!!

*Coach Portz*

## Junior Varsity Overview

The Junior Varsity Wrestling at Edwardsville High School has maintained its strong standard of not only being competitive, but more of being **“DOMINANT”**! The dedication and commitment that is shared between the members of this squad is second to none.

This team sported a fantastic 12-1-1 record. Our only loss came at the hands of Granite City, which has a very good program, but it is not a program by which Edwardsville will base its success.

As the underclassmen on the J.V. squad, we will continue to push towards our goals, not only to attain them, but also to surpass them.

As the mind set at Edwardsville is in an emerging, positive mode for its wrestling program, it is also meant for Mental, Physical, and Social growth. This program, like any successful program, is built on the strength of its youth.

The Freshmen and Junior Varsity squads are the future of our program. With the continued hard work, dedication, and commitment by each and every member of this team, we will be successful in the **“near”** years to come!

Good luck

Coach McGinnis
