

CDB – 8/11/2021

Junior Girls' Committee

The Junior Girls' Committee met last week to discuss, among other things, the following:

- Implementation of a randomized seeding model that could help reduce or eliminate any perceived biases in the seeding process.
- A draft of a new policy that allows players who wish to transfer clubs during the season to have a level of appeal if a club denies their request for non-verifiable reasons (an appeal would not be heard for financial reasons).
- Policies surrounding the CEVA Letter of Commitment and applicability to non-USAV events.
- Continued discussion of adding an "Open" Power League division for the top teams in certain age groups.

The next meeting of the JGC is Thursday, September 16th at 5:30 PM. The committee currently has one vacancy – if you are interested, please reach out to the office.

Tournament Prices

These are tentative and subject to change based on evolving circumstances or unbudgeted expenses:

- Power League – 12s & 18s - \$625.00 per team
- Power League – 14s & 16s - \$700.00 per team (two qualifiers)
- Bid Tournaments - \$150 or \$200 per team depending on division sizes
- Regionals - \$500.00 per team
- Presidents Day - \$500.00 per team
- Preseason & in-season Friendship Tournaments – TBD

Memberships

Information and membership prices are posted on our website – www.cevaregion.org/seasoninfo.

Background Screens

USAV has moved to an annual BGS system. This means moving forward, members will be subjected to background screens each year. Members who purchased a two-year BGS in 2020-2021 will not have to purchase another one this year. Annual background screens will cost \$14.

USAV Administrator Memberships

All members who were "Organizational Administrators" in their club's SE HQ last year have been given a "USAV Administrator" membership. This membership grants access to USAV data upon completion of a background screen and Safesport. Please be aware that in the new season, these eligibility requirements must be met in order for individuals to access specific USAV data.

Club Activation & Memberships Open – September 1, 2021 – 9:00 AM
