Questions or suggestions:

- Nice to have head coach involved for skill building and program continuity.
- Building numbers, how to do it and how is board involved?
- Recruiting numbers for teams, with a goal of 2 minimum teams at each grade.
- How do we get to co-exist with other sports and work together?
- Understanding our current revenue sources, tournaments, sponsorships and member or participant fees.
- Look at training coaches at a higher level.
- Market program more heavily at the 4th grade level
- Start working with kids at the elementary level
- USA basketball that has working documents from every level
- Core competencies by certain level
- A training session to become mandatory for coaches
- Start with something fun/positive to start and something fun/positive at the end.
- Offer the coaching clinic for rec and traveling
- We really need to merge Traveling and community ed, Junior Bison, programming.

Next meeting, we will map out full 2021 schedule and plan.
