Softball has their board meeting next Sunday Nov 9th to discuss - no plans to attend this meeting but to discuss with softball fundraising team about is this

	<p>a project we can partner on but will need to partner with school district as they manage these fields</p> <p>Acorn Mini Storage - we currently have units 214 and 332. Total cost is \$526 per month. Units 334 and 209 are available and held for us until Tuesday. They are \$151 per month each, \$302 total per month. This is a savings of \$224 per month. The price will increase after the first 4 months and then again every 9 months. We can lock in the price for 1 year if we pay the full year up front. Group taking a lead on this with getting DIBs and locking in the year rate therefore paying in full.</p> <p>Scoreboards Update: MBL has issued Chaska Baseball \$10,000 in grant money for scoreboard upgrades. Chaska Baseball is to pay for the work upfront and submit final invoice/payment to MBL when work is completed. Seeking up to \$15,775 in total funding knowing \$10k will be reimbursed by MBL (Approx \$14,620 to AIM Electronics for scoreboard work; \$1,115 for Signs and MISC unforeseen costs). Bob motions to approve 15,775 with MBL reimbursement of 10k and potential of softball contributing, Jayson seconds, vote passes 14-0.</p> <p>City of Chaska:</p> <ul style="list-style-type: none"> - Covered Dugouts; finalizing numbers from their contractors for 5 fields to do roofs on dugouts. Numbers and Quote can/will be submitted to MBL shortly after beginning of year (2026). Knowing MBL has rule where payment and work is needed to be covered upfront by Association, CBA could have a big cost to cover in Spring 2026 - Tuff Shed - City has given permission to allow us to install a Tuff Shed at Community Park for chalk/diamond dry and mound storage. Tony Lane Can you further look into structure, size, etc (go to Tuff Shed site and look to build on out)? City has stated that they would like for the shed to match the building colors of the shelter at Community. I have asked for the city to pour a concrete slab and CBA would pay for the tuff shed <p>MN Twins Coaches Clinic - Brian Raabe Date in January (Brian prefers?) - send date to Jessica who can request room</p> <p>Travel Registration Payment Plan(s) - Some past due accounts from both Oct 1 and Nov 1 payment due dates (unfortunately the same accounts/families). Can a follow up to the families be issued?</p> <p>“Old Player Baseball” <i>Community Baseball</i> - 10th-12th Grade (16yr-18yr old) Team in 2026. Further look into? <i>Travel Baseball</i> - 15U division being offered by MBL for 2026. Coordination with Baumann, his staff and Grand Slam Club will be needed to see if there is interest in putting 15U teams together</p> <ul style="list-style-type: none"> - If additional teams with Community and Travel ball with older players offered in 2026, more usage of Sunset will be needed. Line up a second field like Athletic? If so, what equipment needs to be at equipment to have 14U+games? <p>Chaska Classic Update? - Victoria Lions park (and shelter) secured? Potentially offer 9A division. Jenna has submitted for MBL bids and Copher state. Will know in the coming late Nov- early Dec if we have state dibs. Travel will also need to start reg for tournaments around this time as they fill up.</p> <p>Classic is June 12-14 - not Father’s Day weekend but same weekend as last year.</p> <p>Interest in hosting in 3hour Sandlot camp that (need 100 kids and max out at 140) - Shannon to reach out to find out more information.</p>
