Varsity Overview

Continuing tradition that former Tiger Wrestling teams have started is no easy feat. The 2018-19 Wrestling Team challenged themselves to reach the accomplishments of past Tigers. Not only did they reach these accomplishments, but in some cases surpassed them. Numerous off-season hours played a large role in this success.

This year's hard work and effort propelled the Tiger's to roll through the Southwestern Conference duals untouched, claiming the title for the 8th consecutive year. This was another year that the key ingredient of depth was displayed. 29 wrestlers lettered this year, showing off the multitude of great wrestlers we have and that it takes to win the Conference again. The Tigers were also great in tournament action, bringing the "Fox" Tournament championship trophy back to Edwardsville. Best ever finishes at the "Dvorak" (4th) and "Cheesehead" (7th) Invitational occurred, also. Also for the first time ever, the JR Varsity participated in two Varsity Tournaments, and three dual meets, winning the Championship at the Mt. Olive Tournament. Included in the season honors was our post – season success, with our 8th straight regional Championship. Included in this success was breaking the string of Team Sectional losses by beating Lincoln Way West with Will Zupanci's exciting finish, and leading to an ELITE 8 in the STATE finish. Individually the Tigers sent 5 individuals (Reynolds, Moss, Matarelli, Odom, Surtin) to the State Tournament, which is the most since the three class era. Noah Surtin made his second consecutive Grand march placing 2nd, and a school record 3 state places. Lloyd Reynolds memorable run to get on the "Stand" showed truly what "Tiger Style" is all about.

This year the Tigers had 6 Senior wrestlers, all representing their school, team, and parents well, and contributed greatly to their team's success. Noah and Josh led their team in different but effective styles, both winning a ton of big matches. Sam Martin displayed unheralded courage, wrestling through a torn ACL, mostly for his teammates. Sam Clark - stepping up and contributing with big wins, and unmatched toughness. Connor was always ready to step in to help his team win, and was a great role model for the younger wrestlers. Jack earned his 3rd consecutive letter, but was probably known best for being an outstanding teammate. There have undoubtedly been many friendships made throughout their wrestling career, and special moments that will never be forgotten. "Remember the Journey" as all of the ups and downs are all learning experiences that will help you in your future endeavors. It's been a great ride, please remember, once a Tiger Wrestler – Always a Tiger Wrestler.

With such a valuable Senior group, filling the holes left by them will be a tremendous task. Although we are losing 6 lettermen, the talent that remains in the Tiger Wrestling room is enough to provide another year of excitement. This can only be accomplished by hard work and dedication that past Tiger Wrestlers have endured. We need to continue to work hard, and remember what got us to the success we have had. The off – season starts soon, and if you are not in another sport, spring/summer wrestling and weightlifting should be attended. Underclassmen, lets shoot our goals for surpassing this year's accomplishments. Let's reach what some think is unreachable.

Special thank you goes out to our Seniors – excelling, sticking with it, being great teammates, etc. Also good luck in your next chapter, and I personally hope "Tiger Wrestling" will help you in some way or form. Stat girls – thank you for all of your unselfish help, making our job easier and our program better. Coaches – you're awesome. Thanks for helping these young men, and helping make our program the best we can. Parents, thanks for your support through the good times and bad, and supporting your children through this great sport. Thank you to everybody who has made Edwardsville Wrestling what it is today.

2018-2019 Junior Varsity Season Overview

The junior varsity team had another outstanding season for our program. These young men worked extremely hard all year long. If they work hard this off-season **Tiger Wrestling** will continue to do great things in the future. Each of these young men should be proud of what they accomplished no matter what their individual records were. As their coach I am proud of what they were able to achieve as a team.

This year's junior varsity team had an undefeated dual meet record of 21-0. They were **JV CONFERENCE CHAMPIONS** again this season with the help of many freshmen in the lineup along the way. The team also competed in four tournaments this season: Mehlville JV Duals (1st Place/16 Teams), Mt. Olive Varsity Tournament (1st Place/15 Teams), Quincy Notre Dame Varsity Tournament (3rd Place/15 teams) and the annual SWC JV Dual Team Tournament (1st Place).

After starting the season 9-0 in duals the team competed at the Mehlville JV Dual Tournament over Christmas break where they defeated five teams to take home the **CHAMPIONSHIP**. The day started with victories over McClure North 84-0, Oakville 84-0 and Lindbergh 58-18 putting the team in the GOLD Division where they dominated the competition. In the semifinals they defeated conference foe Belleville East 66-7 and then Northwest 61-15 in the finals to bring home the **CHAMPIONSHIP**.

This season we entered the team in two varsity level tournaments. First, we competed in the Mt. Olive Tournament again this season placing in the top four at almost every weight class. We were extremely proud of the team and the way they competed throughout the tournament. This season we were able to bring home our first varsity team **CHAMPIONSHIP** competing as a JV team. Good stuff!!

The other varsity tournament we attended was the Quincy Notre Dame Invitational. What another great opportunity for the team to compete at the varsity level. Same amount of teams as Mt. Olive but a few better 1A/2A caliber teams with a couple of very solid kids in each weight class. Our boys came to wrestle once again and finished in 3rd Place as a team. The gym was rocking as we were knocking off higher seeds left and right. The boys earned a lot of respect that day especially from their coaches and parents that were able to watch them.

The JV team capped off a perfect dual meet season winning their next seven duals including the SWC JV Dual Tournament. The team won the conference tournament with wins over Belleville East (51-8), O'Fallon (57-13) and Collinsville (58-12). Another strong performance by the team with a lot of freshman filling voids for regular starters that were competing at the Quincy Invitational the same day. Depth is a great thing and we showed it on this weekend as every member of the program was competing somewhere and winning.

I would like to thank the parents of all the wrestlers for supporting their sons this season, without your support it would be very difficult to be the program we are today. I appreciate the time you allow us to spend with your sons and helping you mold them into great young men of character on and off the mat.

I would also like to thank the senior wrestlers/parents and managers for their hard work, dedication and passion you have shown for the program over the years. It means a lot to me and the rest of the staff. We would not be where we are today without your support and dedication. Lastly, I would like to thank the coaches from EWC, Liberty and Lincoln Middle Schools and our Booster Club for all you do. You are all a big part of our success.

Good Luck Tigers!!

Coach Matarelli

2018-2019 Freshmen Wrestling Season Overview

The freshman had another dominating year for the Tiger Wrestling Program. The tigers were undefeated again this year having an overall 9-0 dual meet record. Unfortunately, due to circumstances out of our control, we did not get to compete in as many dual meets this year in part because of the weather not cooperating. We were able to get the freshman so more competition at the JV level though, which the guys did a great job with. This is a very talented group and it could be an exciting next 3 years with these athletes in our program.

Our season had many highlights including 9-0 overall dual team record and another conference championship at the freshman level. Our freshman also competed in JV and Frosh-Soph events where they excelled even against more seasoned competition. Unfortunately, the weather did not allow us to compete at the exciting Glenbard North Tournament nor the O'Fallon Freshman Tournament this year, but we are looking forward to competing at both next year. Besides the victories, a highlight for the team, especially the coaching staff, was how hard this group trained. This group of Tigers were very dedicated, and came to practice everyday with a very workman like attitude and were very coachable. No doubt that the work ethic and willingness to be coached translated into a very successful season!

We would like to thank the parents for getting the guys to meets and practices, and helping the program with various other activities. You were a great help this year and we appreciate all you have done for your kids and the wrestling program. If it was not for you than we could not have as much fun as we did this year. It takes very dedicated parents for wrestlers to excel, and all the accomplishments on the mat can also be attributed to you.

We would like to thank the coaching staff for making this another great year. We hope the parents and wrestlers realize how lucky they are to have dedicated coaches like this in our program. The coaches put their heart and soul into making this one of the top programs in the state while doing things the right way in the process.

As in any sport, you have to have dedication, a great work ethic, and toughness to become great. All of these things are achievable, but you have to block out the distractions. This is a very tough sport that many people choose not to compete in because of the heart and desire it takes to succeed. I have a tremendous amount of respect for each of our guys who come out every day and put the time and effort in making this one of the most successful programs around! Remember, you can talk about how much you want to be great, how tough you are, and how hard you work. All that talk means nothing without giving great effort every day in class, great effort in every practice, and great effort in every match.

Good Luck,

Ryan Followell

Doug Heinz
