

## **Touchdown Club Meeting**

**11/29/2023 - 6:04 pm**

**Attendance:** Amy Mitchell, Tina Perez, Kelly Crider, Jennifer Fisher, Kristin Lively, Alicia McInnes, Allison Jernigan, Janna Hinojosa, Tim Staley, Dirk Mitchell, Coach Harbert

**Secretary:** minutes emailed for review. Jennifer motioned to approve and Tim second motion.

**President:** Amy asked who was interested in staying for next year's board. She also asked if anyone that is staying wanted to change positions. A nominating slate needs to be established. Current opening will be Secretary and Programs. Jennifer asked if it was possible to also get shadows who can attend meetings but have no votes. The group liked the idea, but it is difficult to get volunteers to attend meetings. Amy provided banquet updates. Deposit was made based on an estimated head count of 300 attendees. The attendee count can be increased. Overall, A.V equipment went down from last year, but food costs increased. We will set up a slide show for each team. A google folder will be set up for parents to submit pictures for use. We will also have a senior slide show. Invitations will be sent out on Friday by email and sportsYou. Decorations will include balloon centerpieces and special centerpieces for coaches' spouses. There will be 40 tables so will need 2-3 centerpieces each. Jennifer volunteered for balloons and check in. Alicia will pick up the FHS letters. There will be table place cards. Amy will also work with Juniors to do the look a like video. Amy will ask the coach about the senior pass downs. The cost will be \$20. Amy will do senior video for her parents. Each player can bring all parents and seniors can bring a date.

**Coach Harbert:** Coach had no updates.

**Vice President:** Tim found there will be 3-5 seniors eligible for the scholarship. He has sent an email to the coach to confirm. Tim will send emails to parents that are eligible. Tim moved for scholarship amount to be \$1000 (which is max allowed) and all members voted approval.

**Treasurer:** Activity statement provided. The biggest cost challenge was the meal costs, which happens every year. Payment plan for meals will be established in April for next season in hopes that it will help get more players signed up.

**Game Day:** no updates. Kristen indicated she enjoyed the season and players seemed to enjoy meals provided.

**Programs:** Allison set aside programs for the family and friends and has 7 programs left.

**Fundraising:** Jennifer will look to get the Family and Friends top donor gift bags for banquet. She will look in storage for items needed.

**Spirit Wear:** Jill has already started working on the senior gifts. Senior gift will be replica football jerseys.

**Mums:** Receipt of final check still pending. It will be mailed.

**Miscellaneous:** Ideas for next year's community parade obtained based on what other schools did.

Meeting ended: 7:01.
