#### Consequences:

##### Tier 1 - Verbal Warning:

- A verbal reminder from the coach will be given to the child, highlighting the specific rule they violated and encouraging them to correct their behavior.

##### Tier 2 - Sit-Out:

- If the child continues to violate the rules after receiving a verbal warning, they will be asked to sit out a portion of the practice or game. This serves as a temporary removal from the activity, allowing them time to reflect on their behavior. *(Parents and the League GM will be notified)*

##### Tier 3 - Suspension:

- In the case of persistent or severe rule violations, the child may face a temporary suspension from participating in practices and/or games. The duration of the suspension will depend on the severity of the behavior and will be determined by the coach and/or league officials. During this time, the child may be asked to reflect on their actions and demonstrate a commitment to adhering to the rules. *(Parents, League GM, and the CBA Executive Board will be notified)*

**Physical Violence ZERO Tolerance Policy:** CBA has a zero tolerance policy for physical violence. Any acts of physical violence will result in an immediate suspension from practices and games. Disciplinary action will be issued by the CBA Executive Board.
