

2024 Regional & Provincial Curling

PRESENTED BY: 

Each provincial championship will consist of eight teams scheduled as two pools of four teams in round-robin play format. The top two teams from each pool shall advance to the championship bracket. The eight teams participating at the provincial championships will include the host school and seven other teams that have qualified through the regional championships.

The tie-breaking criteria to determine placement in pool play and placement into tie-breaker games shall utilize the Skill Based Team Ranking System (SBTRS). For more information on the tiebreaker and the Saturday schedule of games, please refer to the curling activity page of the [SHSAA website](#).

Regional championships will be held March 1 - 2, 2024. The Regional championships will consist of a six or eight team double knock-out format leading to an 'A' event and 'B' event qualifier to the provincial championship. The only region that may require an A-B playoff to complete the double knock-out competition is the provincial host region. The A-B playoff will only be contested if the provincial host has not won either the 'A' or 'B' event. In the regions without an A-B playoff the 'A' event winner will be considered the Regional champion.

Districts should declare their representatives to the Regional Championships by Saturday, February 24, 2024 and contact the regional commissioners and SHSAA office following the competition.

The three provincial curling host sites were originally in three different regions thus requiring slight changes to the regional make-up for 2024. The changes were made to create the least amount of impact and continue with traditional regional groupings.

SHSAA Policy, 2.4.1. states *"As approved at the 2011 AGM, if the provincial host district is initially in a four-district region, the regions will be adjusted so that each provincial host ends up in a 3-district region. No hosting opportunities will be lost in the shuffle of districts to accommodate these changes"*.
