District Registrar Report Amanda Gobert:

Redlined staff and or players are NOT allowed to participate.

Volunteers are not allowed on the bench or ice during games. Coaches and players only. USA Hockey still suffering from IT issues.

Ref-In-Chief Report Art Kale:

Last weekend finished up last ref clinic for D6. Number of refs are down. 2 extra seminars were held this year. Picked up 36 officials in the extra 2 clinics. D6 is down 6% in officials. May do last minute clinic.

Rule change: Banging on the boards: if a team bangs on the boards in reaction to a hit or a ref call (or, no call) the team will get a warning. If they do it again, bench minor, if they do it a third time, coach gets game misconduct.

Body checks must be delivered in order to gain possession of the puck, not with intent to injure the player. Working on getting consistency with these rules for this season.

Match Penalties: 2 Outstanding. Kalamazoo and Ann Arbor.

Dropping the Ann Arbor Match due to lack of detail in the report.

Match at the Summit on Saturday.
