Priority

- Have fun and make the postseason experience a positive one for all of our student-athletes!
- Our values of sportsmanship and excellence are always a priority.
- The best way to make the playoffs enjoyable is to come with a positive attitude and put forth your best effort.

Sportsmanship

- Sportsmanship is everyone's responsibility.
 - When we succeed at this task, we succeed as a league.
 - If we fail at this task, we fail as a community.
- The behaviors of the adults directly influence the behaviors of the minors, both on and off the ice.
 - Coaches must set the right example and be the first to address their unruly players.
 - Spectators must create an exciting, supportive environment.
- Respect for the game can never be sacrificed due to the desire to win.
 - Our four champions must win with dignity; all of the other teams must lose with grace.
 - True character is best displayed in adverse situations; the "heat of the moment" is not an excuse.
