Re.: Bat standards for RAMMS Baseball

Parents,

Starting in the RAMMS 2020 baseball season, only USA Bat stamped baseball bats and wood bats shall be permitted in RAMMS league play. Non-wood bats are permitted and may have a barrel size up to two and five-eighth inches (2 5/8") provided any 2 5/8" bats must be stamped under then current "USA Bat" standards. For more information on the USABat standard and a complete list of bats approved through the USABat Standard at www.usabat.com. These changes only affect baseball divisions and don't affect any divisions of softball.

Sincerely,
Damon Boyd
RAMMS President Elect
