Cindi Wagner	Website
Christina Roth & Amy Brown	Sponsorships
Gena Hill	Mice Derby
Frank Salerno	Accountant

2023 Annual Membership Meeting

7 p.m., Tuesday, February 13, 2024
 Club Room

STATE OF THE CLUB ADDRESS

Amy Brown, 2023 President

2023 was an exciting year at Old Pike--one of our best yet! Membership continued to grow, and we were able to make multiple improvements to the Club. We made huge renovations to our pool, which had not been redone since 1980 (or so), and to the pump house, both of which were in desperate need of renovation, and which stand today as both beautiful and in full working order. Additionally, we were able to resurface the lower tennis courts, which had started to peel again, and make many improvements to the Disc Golf course. The Board is always hard at work behind the scenes to make Old Pike the best it can be for our membership to enjoy.

For 2024 we are entering a one-year contract with a pool management company to be onsite each day ensuring pool water is balanced for both pools, safety requirements are met, and bathrooms are stocked. We are excited about this!

The Board is always cautious with our finances, making sure to keep the membership's best interest with every financial decision. With Old Pike Country Club having been established in 1957, maintenance, improvements, and large expenditures are inevitable. Although able to pay all bills and make repairs and updates through current cash flow, the Board suggested capital improvements to the Club in 2023 requiring a loan and annual dues increase that Membership approved last year. I am happy to report we are in good standing with that loan and were even able to make a substantial principal reduction at the end of 2023. Members are encouraged to attend our monthly Board meetings, at which current financials are presented, or may ask to see the financials at any time.

Having fun, making memories, and developing lifelong friendships at Old Pike is our goal, and we thank our members who have participated in our social events throughout 2023. We are hard at work planning great 2024 events.

Our Board is 100% volunteer, serving out of love for Old Pike and with great hope for the future. There are no financial concessions or payment made to any Board Member for their services. And, with that, let us kick off the Season with the election of the Class of 2024.
