

Dear Board of Directors:

I am writing to support Nichole Swanson's nomination for member of the VMHC board of directors.

As her son's team manager this past season, I know firsthand that she is smart and level-headed individual plus an enthusiastic and willing volunteer and is a team player in her actions and her words.

Nichole is a former Division 1 college athlete who has a unique perspective on youth sports in addition to now seeing it through her son's eyes.

The board would be lucky to have her perspective and creative ideas.

Respectfully

Amy Kisielica
