

Spring Baseball (13 & 14 Year Olds)

Spring Baseball is an opportunity for 13 and 14 year olds to get some baseball reps prior to the start of the summer season. The focus of spring baseball will be to get the kids together for hitting sessions and get their arms in shape before the Babe Ruth season starts. This will be achieved by practicing 1-2 times per week. Whether the kids are hitting at the Rec Center indoor facility or practicing outside will be determined by mother nature and coaches schedules. Depending on our numbers, we will hopefully have enough for 2 teams. The teams would be split evenly with a mix of 13 and 14 year olds. Each team would have an equal number of pitchers and catchers. We are in the process of scheduling 6-8 games/scrimmages for the spring season. If we have 2 teams, it will allow some of the games to be in-house scrimmages against each other. We will also schedule some games with other schools/clubs. We will build our baseball schedule around the track and field schedules so that kids can participate in both. Practices for baseball will mostly be on the weekends but some may be scheduled on weeknights (after track practice), all potential games will be played on Saturdays (when there isn't a track meet) and probably some Sundays. Coach Reese Mack will use the Remind app for communication so as scheduling for games and practices is finalized be sure to have the App for those important updates. Tentative start date will be the last week of March.

Instructions for Remind App

Download the mobile app for iOS and Android devices.

Create a new account (or log in if you already have one).

Tap +Join a class (located under the Joined section).

Enter the class code, and then click Join.

Class Name: 2024 Spring Baseball
