

# Community Engagement Award

---

## *Celebrating Volunteers in Ontario Volleyball*

The Community Engagement Award recognizes and celebrates OVA members who are engaged in volunteer activities and make a real difference in their communities. We want to honour the “everyday heroes” and make sure the invaluable contributions of OVA member volunteers in their communities are held up as examples of how OVA members can make a difference through volunteering.

We encourage you to focus on one project which you/your team have developed over the previous twelve months – a project which demonstrates excellence in and for innovative engagement and meaningful impact in the communities in which OVA members live, learn, work, and play through their volunteering.

The selection committee will be looking for individuals or teams with projects that have effectively achieved its key objectives. The scale of the projects may vary, but we are looking for entries which are able to demonstrate a coherent approach to meeting the needs of the community.
