- Paul Ryan gave us an update on equipment. The board is looking at purchasing new helmets and jerseys for the 2022 season.
- Brian Lee spoke of the successful fundraiser that we had and will do again in 2022. Looking to have everyone use the app for purchases. The association may also look at doing another fundraiser throughout the year to help with the cost of helmets.
- Jareck Horton spoke of our Travel program. We will be using MYAS again next year. He also informed the group of possible moving to A/B teams at the travel level. This is an item of that will be addressed at our next board meeting in January.
