MAXIMIZE PERFORMANCE

Your brain and body are in constant communication. The nervous system is responsible for every function and movement your body performs. Stress interferes with this system, causing dysfunction, leading to a variety of symptoms. We address the cause of the stress to allow your brain and body to communicate at an optimal level. Meaning your body can function at its best.

PREVENT INJURY

Structural misalignments are one of the leading causes of injuries to the athlete. Our passion is to educate athletes on how to listen to their body and naturally treat and prevent injuries through chiropractic care. This includes runner's knee, shin splints, plantar fasciitis, ankle sprains, stingers, shoulder impingement, tennis elbow, neck pain, wrist pain, back pain, stress fractures, muscles cramps and repetitive muscle strains.

MOVE WELL

Adjustments create a lot of positive changes in your body, but it doesn't stop there. How you train, how you sit, and how you move day to day determines how your body responds. Over time, your body creates compensation patterns. We provide individualized exercises and stretches to re-educate improper movement patterns, so you have the knowledge to move how you're made to.

It gives me great pleasure to welcome you to tonight's hockey game. Please sit back and enjoy the experience. Let's release the kids to the game and enjoy watching the girls display their skills and talent.

The Blaine girl's hockey team is part of a Blaine High School Activities program that represents our school with class and dignity. The young women work very hard to provide exciting entertainment and to protect the great tradition established at Blaine. The coaching staff is full of dedicated coaches who care more about the players and their development than wins and losses. We are fortunate as a community to have these coaches working with our girls. If you know Coach Guider at all, you know that no one works harder or cares about their players more. He is truly a gift to our program.

Thank you to all of our families for their sacrifices over the years. It is the true commitment and dedication from you that sets Blaine hockey apart from the rest. I would personally like to thank the parents for the sacrifices they have made over the years that allowed these young women to continue to play a sport they love. Your commitment to them will pay great dividends in the years to come.

So, as you enjoy this year's hockey season, feel the energy generated by our athletes and support them with great enthusiasm and sportsmanship! Join all the fans and enjoy the pageantry, excitement and intensity of Bengal Girl's Hockey.

Celebrate Greatness,

Shannon Gerrety
