MEMORANDUM

TO: Central Region District Associations and Member Clubs
FROM: Peter Auguso, President/Chair, Board of Directors
CC: IModel Pilot Project Steering Committee
DATE: January 17, 2022
SUBJECT: 2022 IModel Pilot Updates

Preparations are well underway for the implementation of the 2022 IModel Pilot Project for youth competitive U13-U18 boys and girls' soccer in the central region of Ontario.

In recent weeks, central region District Associations were asked to circulate to their member Clubs the *2022 IModel Pilot Rules and Regulations* along with the *2022 IModel Team Registration Form*. Both documents as well as other IModel Pilot Project information can also be accessed by going to www.ontariosoccer.net/imodel.

Please note that the deadline for team registration submissions is **January 31, 2022**. Based on inquiries and given the current affects of the Omicron variant, we will allow a 14 day extension to firm up registrations. We thank all the Clubs and Teams that have already submitted your registration forms.

If you have any questions, please contact us at IModel@ontariosoccer.net.
