Ryan Gault will move up from the squirts to Head Coach of the Bantam AA travel team and alongside him will be Jim Krueger returning as Associate Head Coach. Jim took over the bantams in October as Head Coach to lead the team to a Midwest Bantam League Championship. Gault's squirt team had a great season winning a number of tournament banners. Both coaches did a great job last season developing their teams and individual players.

John Scott Dickson returns as Head Coach of the Pee Wee travel AA program. Dickson's teams won a number of tournament Championships banners but the most important part of his team was the individual improvement of all the players.

Matt Stephenson joins the AA travel coaching staff as the Squirt Head Coach. Matt has been coaching for a number of years in the Kansas City area and will bring his pro playing and coaching experience to the squirt team. Assistant coaches will be named at a later date.

Here is a list of just a few quality tournaments that squirts-pee wee and bantams participated in last season. Also, teams played a number of friendlies with teams from Omaha, Des Moines and teams from St Louis that play in the Central States League. We look to continue to find quality tournaments and friendlies for the upcoming 2021-2022 season.
