Evaluators will consist primarily of coaches who are registered to coach within BYHA for the 2023-2024 season. Evaluators are NOT allowed to rank/evaluate their own child. In case a consensus cannot be reached, we will reach out to some independent evaluators. On that list would be Ben Kinne, Matt Carlson, Neil Huewe, Kevin Williamson, Channing Boe and other BYHA coaches that are not at the squirt level. Coaches are asked to evaluate/rank players throughout the in-house period, with a culminating coaches meeting to take place somewhere between November 19th-21st where travel teams will be formed. Travel teams will be announced on the BYHA Squirt Web Page on (Nov. 22nd-TBD). HDC will reach out to potential coaches for each squirt team and have them finalized by Sunday, November 26th.

Travel team practices will begin the week of November 26th-December 1st. Travel games will begin December 2nd for some teams.
