

Taos Youth Hockey Association non-profit 501(c)(3) Scholarship Application

Taos Youth Hockey Association (TYHA) strives to offer hockey to youth in our community regardless of financial situation. TYHA works hard to generate income through fundraising and board advertising at the rink to provide scholarship and equipment rentals for players. This program is especially designed to assist first time hockey players. Therefore, the amount of scholarship awarded decreases each year the child plays Taos hockey.

In applying for scholarship, you must understand that our small non-profit organization depends on your help. All families are expected to participate in fundraising events and this expectation is increased for scholarship recipients.

Requirements: Submit this letter plus a \$50 application fee applied toward the registration. Also, you are required to register your player for \$55 through USA Hockey on-line at **www.USAHockey.com**. This provides insurance and other benefits for participation.

Parent(s) Name:	 phone: _	
E-mail:		
Player(s) Name:		

Please state why your child/children want to play hockey and why financial assistance is requested (use additional pages if needed):

Previous scholarship(s) awarded? ____ Yes ____ No Equipment scholarship also needed? ____ Yes ____ No
