

## **Weather Cancellation Procedures**

**Please follow the procedures below when canceling a game due to weather. If a game is canceled within two hours of the start time, you must notify everyone by phone (this includes referee assigners and opposing coaches), please do not rely on emails or text messages. If referees show up to a field because someone failed to effectively communicate a cancellation, the home team will be charged.**

- 1. Notify the referee assigners. If you do not receive an email reply, you must call them to confirm that they are aware of the cancellation.**
