

HELP STOP BULLYING

AlwaysBeKindLakeCountry.com

This year, more than ever with all the unknowns of the future, it is the time to show them (and even adults) what you stand for in this community. There is power in positivity! Be that person!

Tropitana has promised to help by putting together an initiative to do exactly that! Always Be Kind Lake Country is a way to directly help your school to raise awareness and funds for their **PBIS...Positive Behavior Interventions Support...programs**. These programs are not only **focused on anti-bullying, but also the academic, mental and emotional well-being of students**. By purchasing a shirt, you will not only represent Always Be Kind, but 10% of shirt sales will go to the OASD PBIS program.

We are encouraging everyone to join us in this initiative to put an end to bullying. **You can find this information and make your purchase at *AlwaysBeKindLakeCountry.com*.**

Once you are in the check-out, you will find the choice of which school district's PBIS program you would like your donation to go to. There is also an opportunity to make monetary donations.

We would like all orders placed by the end of day Friday September 25th. Orders will be delivered to each person at OHS so please make sure you choose the 'Pick-up' option. In a hurry to have a shirt now? Tropitana has some shirts in-stock to pick up now or simply message them on their Facebook page to arrange pick-up...or even possible delivery.

Together let's make the Lake Country area shine bright with positivity and kindness!
