Rostered Gold+ Travel players and U8 DO NOT need to get fitted**

If you missed the August 27th uniform fitting/ordering and still need one, please take your player (and shoulder pads) to get fitted at Play It Again Sports (135th and Metcalf) during normal business hours (except Fridays 3-7pm). Deadline is Sunday September 11th. This is your LAST CHANCE to get fitted and order Stars jerseys and socks before an upcharge will apply if you order later.

****Check in with Jennifer Reynolds to get jersey # approved before you go.**

We will be using the same jerseys/socks as previous years. If you have a set of Stars house league jerseys (not U8 jerseys) you can use them again unless your player has outgrown them or there is a number conflict in which number will go to the oldest returning player. New players need to purchase a set of jerseys/socks.

JERSEY/SOCKS

6U/8U: Included in registration. No need to get fitted.

10U, 12U, 14U, and High School: Approximately \$250+ tax. Includes two jerseys (Home/Away name and number on back and number on shoulders, and two socks (Home/Away). (\$110 per jersey and \$15 per pair of socks when ordered at the 8/27 fitting. Socks can be purchased for \$20 per pair at Play It Again Sports anytime through the season.) Payment will be made to Play It Again Sports by check or credit card after you get fitted.
