

Dear Friend of the Paris Football Club,

I am sending this letter out asking for your support by sponsoring our 2022-2023 Paris F.C. soccer program.

Paris F.C. is a non-profit organization providing an affordable opportunity for the youth in the Paris, Brantford, and the Brant County communities. We are a rapidly growing competitive and developmental soccer club with boys and girls competitive teams ranging from U9 to U18. We also have a thriving development league starting at U4 (three years old) and continuing to U11. We also currently have senior teams competing in the Ontario Women's Soccer League that travel throughout Ontario.

As we are an all-volunteer club, the full amount of all sponsorship and personal donations goes directly to the youth to offset the cost of playing. Sponsorship will financially support our club's efforts to provide free skills camps, tournament fees and team equipment.

There are several different levels by which sponsors can support our club *and* market their business. Please consider providing our club with tax-deductible financial sponsorship this year. Your support would be greatly appreciated and help keep the game affordable for players and their families!

Thank you,

Rob Ostrowercha - President, Paris FC

John Butler – Vice President, Paris FC
