

SACO BAY TROJANS LACROSSE

Saco Bay Lacrosse Board Meeting 11/9/17

1. Review of US Lax and MYL meeting on 11/2

Rob reviewed the meeting from last week. Scheduling continues to be a major problem for MYL. They are reviewing options including "speed scheduling" one night in March. The NCAA Championships for the men are in Foxborough again this year. Any interest in going as an organization will be reviewed at future meetings.

2. Review of website

We have been approached by numerous websites to switch from Sportsng. Mike had a great meeting with a company looking for us to switch. There were advantages to switching, however at this time the board is requesting to stay with what we currently have as a switch may be difficult for some in the organization.

3. Equipment update

Currently goals are in storage for the winter. All the goals need new nets. Mike will reach out to vendors and purchase all new nets for the goals. We have purchased on sale 288 lacrosse balls for this season. Also need to upgrade the girls goalie gloves, a new chest protector for 5/6 boys and some shin guards. Everything else looks good for now. Mike approved to spend \$600 to get the equipment we need at this time.

4. Uniform order

Girls uniforms we have plenty in storage. We will purchase youth boys uniforms to increase our current stock. Jill to order now for best pricing.

5. Learn to Play Partner with ME Mussels?

We will once again rent XL Sports for our learn to play clinics. Three Friday evenings in Jan/ Feb. We will promote to schools after New Year. No free equipment for girls this year. Clinics to be run with HS help and potentially the Mainiax Girls Lax program. Addie to reach out. Don and Mike to get flyers done by next Board Meeting.

6. Girls Tourney

Due to some turnover at rec and poor participation from girls parents at this time we do not feel is the right time to host a large tourney. We will review in the future.

7. Fundraising

We will once again look for Tshirt sponsors starting after 1/1. We voted to do the calendar raffle again this year. Looking for large corporate sponsor to sponsor the calendar. We will be raffling off one Cascade S helmet drawing after meet the coaches. 1 ticket \$5. 3 for \$10. 300 tickets to be sold.

8. Registration

Will open on 1/1. We will promote on the learn to play flyers. Registration will be open until 3/15. After that time registration will double this year to \$150 for returning player with no uniform to \$200 for a player needing uniform. It is difficult to constantly add players after registration is over.

9. Clinics

We will look into special clinics for girls skills, face offs, shooting and goalie clinics again this year.

10. Practice

We will look to start practicing on the turf on Sundays starting 4/8. We may rent out XL early in the season depending on weather and how we look financially.

11. Next Board Meeting

Looking for 12/21 at 6. We will reach out to rec to confirm.
