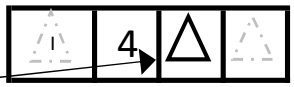
BEFORE GAME STARTS - Place teams on correct sides, enter #'s of starting players and the Libero



Example: the libero replaces #4

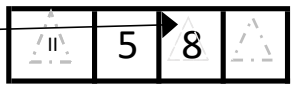
LIBERO ENTERS THE COURT - make a triangle in the box to the right of the player leaving the court

Example: # 4 returns to the match and the libero goes to the bench

LIBERO LEAVES THE COURT - ensure the same "regular" player returned - then color in the triangle

(Example: Libero returns for 2nd time in place of #4)

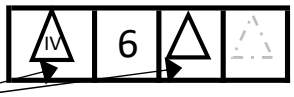
SUBSTITUTION - Write # of the entering player in the next open box to the right of leaving player



Example: #5 starts match. #8 subs in for #5. (NOTE: The libero could now enter for #8)

LIBERO SERVES - First, triangle the "regular" player being replaced outline the "Service order" number.

Second - Outline the triangle in the "SERVICE ORDER" the for position currently serving



Example: Libero replaces AND serves for player # 6 in service order IV

NOTE : Libero can serve in ONLY ONE of the 6 positions!
